Application of ISO 9001 to Local governments

Dear Sir or Madam,

At its meeting on 10 and 11 February 2005, the Technical Management Board approved a proposal from the ISO member body for Mexico (DGN) to organize a workshop intended to produce an International Workshop Agreement (IWA) on the application of ISO 9001 to local governments.

We are pleased to enclose details concerning the workshop and would be grateful if you could publicize this event in your countries.

Yours faithfully,
